

ORBIT MOTION.....NEWS

10/01/13 As of 1/1/14, all servo sales and service will be transferred to ATLANTIC AUTOMATION GROUP of Bristol, Rhode Island. Contact them at Atlantic-AG.com or call (401)473-7532.

10/01/13 Welcome to our new website. We will be adding “how to” videos over the next few months. They will include repairing and adjusting vacuum clutch brakes as well as valve repair and friction disc replacement of RotaStep units.

11/03/13 Price list is now available on the download page.
